TEAMWORK

GREAT BUILDING

Our Bussines Profile

Our Bussines Construction

Contuction Is Human Power

Founded in 2017, Tharshini Homes carries the legacy of over 30 years in the Indian construction and renovation sector. The journey began in 1999 under the name Sri Vishnu Associates, focusing exclusively on renovation work for constructed sites. Over the span of 10 years, the firm successfully completed 200+ renovation projects, earning a strong reputation for quality and reliability. We later expanded our scope and started flat promotions, which continued up to 2016.

Building on this foundation, the business expanded into interior design under the name Ramya Designers, specializing in modular kitchens and interiors for 150+ homes. With growing demand and a vision to offer end-to-end solutions, Tharshini Homes was formally registered as a Private Limited Company in 2017. we've evolved into a full-fledged construction company, delivering complete building packages and successfully completing 50+ residential construction Projects.

Construction is a visual art and the buildings-speak for themselves.

Our Keys Philosophy

Professional Team Work

At Tharshini Homes, we believe that great results are born out of strong collaboration. Our team is built on a foundation of trust, integrity, and shared goals, bringing together experienced architects, engineers, project managers, and skilled laborers who are passionate about quality construction and client satisfaction.

Professional Safety Work

At Tharshini Homes, safety is not an afterthought—it is a fundamental part of our work culture and project execution. We are committed to creating a safe working environment for our employees, clients, and all stakeholders involved in our construction activities.

Quality Good Material

At Tharshini Homes, quality begins with from foundation to finishing, every component used in our projects—cement, steel, bricks, tiles, electricals, plumbing, and fittings—is thoroughly inspected and approved for strength, safety, and reliability. We never compromise on the integrity of our work, and that commitment is reflected in the quality of the homes and spaces we build.

Our Section Construction

At Tharshini Homes, construction is not just about structures we specialize in end-to-end residential and commercial construction services. Whether it's a compact urban home or a large-scale independent villa, we ensure that every element—from the foundation to the finishing touch—is executed with care and quality.

Repairing Plumbing

From fixing leaks to full-scale pipeline replacements, our skilled technicians ensure that every job is completed with precision, safety, and long-lasting results.

Complete tool

Our in-house tool support system enables us to handle everything - from foundation laying and structural works to interior finishes - with unmatched efficiency.

Best Electricity

Our certified electricians and technical experts follow the highest safety standards while installing wiring systems, switchboards, lighting fixtures, and power backups.

Best Interior Design

From contemporary designs to traditional finishes, our team of experienced interior designers works closely with clients to deliver tailored solutions for every room.
